Ore Pare Dio Me
Sinfoni Deo
Cante Mara

Until we can walk on free land
Until we can choose who to love
Until we can dance on water
You hold our hands together

Until we can walk on free land
Until we can tell the children
That Earth is a safe place again
We'll stand and hope together

Ave Mara

Until we can walk on free land
Until we can choose who to love
Until we can dance on water
You hold our hands together

Until we can walk on free land
Until we can tell the children
That Earth is a safe place again
We'll stand and hope together

Until we can choose who to love
Until the colour of your skin
Is not a full twist of fate
You hold our hands together
