

Erasure, Here In My Heart

Burning deep down inside like a fire
I can see in your eyes my desire

Here in my heart I will love you forever
Fall in your arms I am yours, yours to hold

Bright like the love in your eyes
I do know you love me
Crying alone in the night
Moments gone now forever tonight

Tell no lies, I can see softly screaming
Comes alive comes to me, am I dreaming?

Here in my heart I will love you forever
Fall in your arms I am yours, yours to hold

Bright like the love in your eyes
I do know you love me
Crying alone in the night
Moments gone now forever, tonight

Burning deep down inside like a fire
I can see in your eyes my desire

Here in my heart I will love you forever
Fall in my arms I am yours, yours to hold

Bright like the love in your eyes
I do know you love me
Crying alone in the night
Moments gone now forever, tonight
