

Erasure, Hi Nrg

(I. Levine / F. Trench)

High energy, your love is lifting me.
Oh, yeah...
High energy, your love is lifting me,
lifting me high...high...

Oh, so high.

It was only last week when we first met,
and I was walking down the street.
You came up from behind me and I knew
that our eyes were gonna meet.

That's when I fell into your arms,
imagine my surprise.
I thought this only happened in fairy-tales,
love hit me right between the eyes.

Ooh
High energy, your love is lifting me.
Oh, yeah...
High energy, your love is lifting me,
lifting me high...high...

When you called me on the telephone,
you made my spirits rise.
I'm glad the others didn't last;
it's a blessing in disguise.

Every time you're touching me,
it gives me such a thrill.
When I look deep into your eyes,
my heart just can't keep still.

Oh, no, no, no!

High energy, your love is lifting me.
Ooh, yeah... High energy, your love is lifting me,
lifting me high...high...(oh so high)

All the gold that's in Fort Knox,
couldn't buy this happiness.
And with your love, I don't need money,
I don't need success.

I became a victim of a certain love attack.
It happened in the blink of an eye,
and there's no holding back.

No, no ,no ,no!

High energy, your love is lifting me. (oh, yeah)
High energy, your love is lifting me. (oh, yeah...high)
High energy, your love is lifting me. (oh, yeah)
High energy, your love is lifting me.
Lifting me high...
