

Erasure, I Broke It All In Two

How could I have been so cruel
After all you've done for me
I should go back to school
To learn
The ways
Of love

I see the tables turn
Please don't desert me now
I acted like a fool
I know
I just stumble
Through the night

I pushed you way too far
Though you're my guiding star

I broke it all in two (broke it all in two)
Like a row of paper chains (a row of paper chains)
My heart's not made of stone (heart's not made of stone)
Though it seems to be that way

Baby, what can I say?
You mean the world to me
Don't throw it all away
I promise
I'll change
One day

I pushed you way too far
Though you're my guiding star

I broke it all in two (broke it all in two)
Like a row of paper chains (a row of paper chains)
My heart's not made of stone (heart's not made of stone)
Though it seems to be that way (my heart's not made of stone)

I pushed you way too far
Though you're my guiding star

I broke it all in two (broke it all in two)
Like a row of paper chains (a row of paper chains)
My heart's not made of stone (heart's not made of stone)
Though it seems to be that way (my heart's not made of stone)

I broke it all in two (broke it all in two)
Like a row of paper chains (a row of paper chains)
My heart's not made of wood (heart's not made of wood)
Though it seems to be that way

(heart of woo-oooh-ood)
(heart of woo-oooh-ood)
