

# Erasure, Love Is A Loser

Love me forever  
Let me know that you'll  
Never leave me out in the cold  
Never leave me alone  
I'll show you devotion  
Can't control my emotion  
I've got love on my side  
Hey what a surprise  
They say love  
Is just infatuation  
I say love  
Is dancing 'cross the nation

Love's so appealing  
Leaves you rocking and reeling  
How did it happen this time  
Got love on my mind  
Hold me and kiss me  
Tell me how much you missed me  
How can they keep us apart  
Got love in our hearts  
They say we're just  
Two more crazy lovers  
I say all we need  
Is one another

Oh Lord how they gonna stop us today  
My word see how the passionless play

Love me forever  
Let me know that you'll  
Never leave me out in the cold  
Never leave me alone  
I'll show you devotion  
Can't control my emotion  
I've got love on my side  
Hey what a surprise  
They say love  
Is just infatuation  
I say love  
Is dancing 'cross the nation

Oh Lord how they gonna stop us today  
My word see how the passionless play

Dancing across the nation  
Dancing across the nation...
