## Erasure, Senseless

Go ahead, get captivated Will you ever give your secrets away? My mind says it's gonna drive me senseless But it's only tunnel vision It's only state of mind

It's alright It's alright to make the move It's alright Get there, stay there Babe it's alright It's alright to feel the mood It's alright So good, so fine Babe it's alright

There has to be Some kind of harmony To keep the maddening Silence away So hang on, we'll be moving on 'Cause it's only your confusion That's keeping us behind

It's alright It's alright to make the move It's alright Get there, stay there Babe it's alright It's alright to feel the mood It's alright So good, so fine Babe it's alright

It's alright It's alright to make the move It's alright Get there, stay there Babe it's alright It's alright to feel the mood It's alright So good, so fine Babe it's alright

Got there, babe better stop there Inhibition's slipping away Stay there, got a lot that we can share I found out the secret Was only state of mind
