

Erasure, Stand By Your Man

Sometimes it's hard to be a woman
Givin' all your love to just one man
You have the bad times and he'll have good times
Doin' things that you don't understand

But if you love him, you'll forgive him
For doin' things that you don't understand
And if you love him, well be proud of him
'Cause after all, he's just a man

Stand by your man
Give him two arms to come to
And something warm to cling to
When nights are cold and lonely

Stand by your man
And show the world you love him
And give him all the love you can
Stand by your man

Stand by your man
And show the world you love him
And give him all the love you can
Stand by your man
