

Erasure, Sucker For Love

I'm a sucker for love, all that's artificial
Sometimes below the belt I hit you
For without love hell freezes over
And wherever you go searching know I'll want some

Give me back my calling cards and vices
My dignity and romance novels too
The love we have is for the better now
The love we have is for the better now
The love we have is for the better now
The love we have is for the better now

If you wanna know the truth I'm feeling open ended
For without love I'm not tremendous
The world we share, it's not pretending
And whenever you go AWOL know I'll be there

Give me back the photographs I sent you
My residence and cool emotion too
The love we have is for the better now
The love we have is for the better now
The love we have is for the better now
The love we have is for the better now
