Erasure, Sucker For Love

I'm a sucker for love, all that's artificial Sometimes below the belt I hit you For without love hell freezes over And wherever you go searching know I'll want some

Give me back my calling cards and vices My dignity and romance novels too The love we have is for the better now The love we have is for the better now The love we have is for the better now The love we have is for the better now

If you wanna know the truth I'm feeling open ended For without love I'm not temendous The world we share, it's not pretending And whenever you go AWOL know I'll be there

Give me back the photographs I sent you My residence and cool emotion too The love we have is for the better now The love we have is for the better now The love we have is for the better now The love we have is for the better now
