

# Erasure, Sucker For Love (Extended Mix)

I'm a sucker for love, all that's artificial  
Sometimes below the belt I hit you  
For without love hell freezes over  
And wherever you go searching know I'll want some

Give me back my calling cards and vices  
My dignity and romance novels too  
The love we have is for the better now  
The love we have is for the better now  
The love we have is for the better now  
The love we have is for the better now

If you wanna know the truth I'm feeling open ended  
For without love I'm not tremendous  
The world we share, it's not pretending  
And whenever you go AWOL know I'll be there

Give me back the photographs I sent you  
My residence and cool emotion too  
The love we have is for the better now  
The love we have is for the better now  
The love we have is for the better now  
The love we have is for the better now
