

Erasure, Time

Time is drawn on a silverlight
do you wanna bet
the circle won't turn back time
hangs on a delicate thread
smoke signals in the sky
in my school days
a summer would last a lifetime

there are no winners or losers
it's a game of Chance
game of Chance

how long will this heartache remain to err is only human
i feel like i am walking on air
for a change
for a change

feeling and freedom of mind
walking through a new dawn
you look so pretty tonight
hearts full of love

time we'll have a chill
unwind
oi won't beg
i won't live on borrowed time
i am gonna try
to block out my bad mistakes
and travel back
and make all the good things thrive

all that glitters ain't always gold
and it's strange and exchange

how long will this heartache remain to err is only human
i feel like i am walking on air
for a change
for a change

no regrets
what a wonderful day
don't let it change
no regrets

how long will this heartache remain to err is only human
i feel like i am walking on air
for a change
for a change
