

Erasure, Walking In The Rain

I want him and I need him
And someday, someday
I'll meet him

He'll be kind of shy and real good looking too
And I'll be certain he's my guy
By the things he'll like to do

Like walking in the rain
And wishing on the stars up above
And being so in love

When he's near me I'll kiss him
And when he leaves me
I'll miss him

Though sometimes we'll fight
I won't really care, I know it's gonna be all right
'Cause we've got so much to share

Like walking in the rain
And wishing on the stars up above
And being so in love

Jonny, no he'll never do
Harvey, no, it isn't him, too
They would never, no they'd never, never, ever love

Walking in the rain
Wishing on the stars up above
Being so in love

Where can he be?
I'm still wishing
Where can he be?
