

Erasure, Where Were You

I'd like to be a child again,
So many things to do,
Playground noise and color toys,
or everything brand new.

I'd like to be a pirate ship,
In search of hidden gold,
On ocean waves I'd swim away,
And sail around the world.

Chorus:

Where (where)
Where were you?
When I needed you most,
When I needed a friend?
Where (where)
Where were you?
When I needed you most,
When I needed a friend?

I'd like to be a soldier,
A general I would be,
In battle and in glory,
Ten thousand men to lead.

I could be most anything,
There is so much to see,
I'd live a different story,
If you were next to me.

Chorus: (2x)

I could be most anything,
There is so much to see,
I'd live a different story,
If you were next to me.

Where
Where

Chorus: (3x)
