

Erasure, Who Needs Love Like That (Instrumental)

Who Needs Love Like That

Who needs love like that

There's something going on
Something not quite right
There's something strange
Happening to me
There's someone at the door
I hear voices in my head
It seems things aren't the way
They ought to be

Who needs love like that
Who needs love like that

It seemed so clear before
I held my point of view
I kept my conversation
Never changed
Now it's all gone wrong
Words are kind of hard
Nothing else around me
Looks the same

Who needs love like that
Who needs love like that
Love can turn you upside-down
And leave you cold
It's plain to see
You're losing all control
(Losing all control)

I'd like to understand
Like to find out why
I can't remember all
The lines that you said
But then I see your face
And nothing really counts
Don't tell me now
This feeling will stay

Who needs love like that
Who needs love like that
Love can turn you upside-down
And leave you cold
It's plain to see
You're losing all control
(Losing all control)

Who needs love like that
Who needs love like that
Love can turn you upside-down
And leave you cold
It's plain to see
You're losing all control
(Losing all control)
