

Eric Benet, If You Want Me To Stay

If you want me to stay
I'll be around today
Available for you to see
Well I'm about to go
And then you'll know
For me to stay here
I've got to be me

You'll never be down
That's what it's all about
Can't take me for granted smile
Count my days I'm gone
Together me and you by phone
I promised I'll be gone for a while

When you see me again
I hope that you have been
The kind of person
That you really are now

Got to get them straight
How could I ever be late
To the only woman taking up my time
How could I ever allow
I guess I wondered how
I could forget about a pocket of fun

When you know
That you'll never ever do
Number one's gonna be number one

I'll be good
I wish I could
get the message over to you now

When you see me again
I hope that you have been
The kind of person
That you really are now
