

Eric Burdon, Crawling King Snake

Well, I'm the Crawl'n King Snake
And I rule my den
I'm the Crawl'n King Snake
And I rule my den
Yeah, don't mess 'round with my mate
Gonna use her for myself

Caught me crawl'n, baby, window
Grass is very high
Keep on crawl'n till the day I die
Crawl'n King Snake
And I rule my den
You better give me what I want
Gonna crawl no more

Caught me crawl'n, baby
Crawl'n 'round your door
Seein' everything I want
I'm gonna crawl on your floor
Let's crawl
And I rule my den
C'mon, give me what I want
Ain't gonna crawl no more

Alright, crawl a while

C'mon crawl
C'mon crawl
Get on out there on your hands and knees, baby
Crawl all over me
Just like the spider on the wall
Ooo, we gonn' crawl, one more

Well, I'm the Crawl'n King Snake
And I rule my den
Call me the Crawl'n King Snake
And I rule my den
Yeah, don't mess 'round with my mate
Gonna use her for myself
