

Eric Carmen, Cry

(eric carmen/scott mccarl)

Cry if you feel lonely
And you know you can't make the grade
Now that you realize you should've stayed
And if you feel the way I do
I want you to cry your eyes out
I'm cryin' too

Never thought I'd never see the day
I'd be happy to set you free
But you made a fool out of me
Now you're crying, "baby, take me back"
But I never wanted you to leave
But you made a fool out of me
You made a fool out of me

Cry if you feel lonely
And you know you can't make the grade
Now that you realize you should've stayed
And if you feel the way I do
I want you to cry your eyes out
I'm cryin' too

Never thought I'd never see the day
I'd be happy to set you free
But you made a fool out of me
Now you're crying, "baby, take me back"
But I never wanted you to leave
But you made a fool out of me
You made a fool out of me
