

# Eric Carmen, Go All The Way

(Eric Carmen)

I never knew how complete love could be  
Till she kissed me and said,  
"Baby, please go all the way,  
It feels so right  
Being with you here tonight,  
Please, go all the way,  
Just hold me close  
Don't ever let me go"

I couldn't say what I wanted to say  
Till she whispered, "I love you so,  
Please go all the way,  
It feels so right  
Being with you here tonight,  
Please, go all the way,  
Just hold me close  
Don't ever let me go"

Before her love I was cruel and mean,  
I had a hole in the place where my heart should have been  
But now I've changed,  
And it feels so strange  
I come alive when she does all those things to me  
And she says,  
"Come on" (Come on)  
"Come on" (Come on)  
"Come on" (Come on)  
"Come on" (Come on)  
"I need you" (Come on)  
"I love you" (Come on)  
"I need you" (Come on)

Please, go all the way  
It feels so right being with you here tonight  
Please, go all the way  
Just hold me close  
Don't ever let me go

Go all the way
