

Eric Carmen, If You Change You're Mind

(eric carmen)

Well it's all been said, it's all over now
I guess that I should leave
'cause there's nothin' left for me to do
Except to set you free

So let me leave you now before I cry
I'll just go back to my room and hide
And never let no one else inside to
To do this again

But if you change your mind
Won't you take some time
And let me know that you
Still want me too
'cause I'll wait night and day
Until you say that you have
Changed your mind
Won't you change your mind
If you should change your mind
Oh yeah

Well I tried so hard to be the one
That you were dreaming of
But I guess it wasn't quite enough
To make you fall in love

So walk away, leave me by myself
And let me crawl back into my shell
And be the me that I do so well
Before I met you

But if you change your mind
Won't you take some time
And let me know that you
Still want me too
'cause I'll wait night and day

Until you say that you have
Changed your mind
Won't you change your mind
If you should change your mind
Oh yeah

I'll be waitin' at home
Just a call me up on the phone
And I'll be by your side
There's no reason to hide
If you need me just call
Don't you worry at all
But if this is the end
And I can't see you again
I just can't carry on
It's so hard when you're gone
It's so hard when you're gone

Oh oh, oh oh, oh no, oh!

Baby don't leave
Baby don't go
Oh baby don't go

Baby don't go now
Baby, don't leave me
Oh, baby don't go

Baby don't leave
Baby don't go now
No, no, no, no, no, no, no
Baby don't go

Baby don't leave me
I need you so bad now
No, no, no, baby
I need you
