

Eric Carmen, It Seemed So Easy

(david smalley/eric carmen)

Rememberin' our love, babe
Rememberin' the good days
The days when we both thought it would stay

Just thinkin' about you
So warm there beside me
I'd look in your eyes
And then you'd say

Words of love to me
Of how it would always be
And how the cloudy days had all gone by
But now I'm wonderin', babe
If it was all a lie?
Because it seemed so easy
When you said goodbye

I'm tryin' to see, babe
How it's gonna be
It's useless, I know,
Each day goes so slow

But I'll always try, babe
Can't accept your goodbye
I'd remember your voice
So soft as you'd sigh

Words of love to me
Of how it would always be
And how the cloudy days had all gone by
But now I'm wonderin', babe
If it was all a lie?

Because it seemed so easy
When you said goodbye

If I could stop
Tell my heart not to love you
I'd have no reason to go on

I'm tryin' to see, babe
How it's gonna be
It's useless, I know,
Each day goes so slow

But I'll always try, babe
Can't accept your goodbye
I'd remember your voice
So soft as you'd sigh

Words of love to me
Of how it would always be
And how the cloudy days had all gone by
But now I'm wonderin', babe
If it was all a lie?
Because it seemed so easy
When you said goodbye

Because it seemed so easy
When you said goodbye

Because it seemed so easy
When you said goodbye

Because it seemed so easy
When you said goodbye
