

# Eric Carmen, My Girl

(Eric Carmen)

Sometimes it's hard to know  
What your heart is feelin'  
And harder still to put it into words  
Love is simple you can't define it  
It's not the words but the thought  
Behind it that counts

My girl  
She's everything a lover could possibly be  
My girl  
Makes love the way I always dreamed  
It would be

Deep down inside I know  
What I should be saying  
But every time I try, it comes out wrong  
Well our love is a love forever  
And when we're all alone together  
She shows me

My girl  
She's everything a lover could possibly be  
My girl  
Makes love the way I always dreamed  
It would be

I'd need a lifetime  
To show her all the love I have to give  
And hold her in my heart  
For as long as I live  
(We'll stick together  
Like the moon and the night-time  
Happy forever I could spend my lifetime)  
So in love with

My girl  
She's everything a lover could possibly be  
My girl  
Makes love the way I always dreamed  
It would be
