

# Eric Carmen, Party's Over

(wally bryson)

When we started it was a lot of fun  
And the times we had I'll never forget  
But now I'm older and wiser  
And a bit of a miser  
And it's crazy but I don't wanna quit

Ain't it a shame the party's over  
Yeah, we couldn't keep fooling round  
Ain't it a shame the party's over  
Yeah, we've got to keep our feet on the ground

Broken hearted, it ain't a lotta fun  
Though I have to I can never forget  
So I'm older and brighter  
And a bad criticizer  
And I'm crazy but I don't give a shit

Now ain't it a shame the party's over  
Yeah, we couldn't keep fooling round  
Ain't it a shame the party's over  
Yeah, we've got to keep our feet on the ground

My old lady don't see a lot of love  
But my guitar, I give it all it can get  
So if the moment ain't right  
I'll party all night  
Call me crazy but I ain't gonna quit

Now ain't it a shame the party's over  
Yeah, we couldn't keep fooling round  
Ain't it a shame the party's over  
Yeah, we've got to keep our feet on the ground

The party's over  
The party's over  
The party's over
