

Eric Church, Can't Take It With You

Never realized how much she brought to the table
Till I went to sit my coffee cup where the table use to be
No cats, no bed, no heirloom antique cradle
An' no more hope for one day startin' that family
Bet she's gainin' fast on Memphis with a trailer-load in tow
Who says you can't take it with you when you go

Chorus:

Cause she got away with everything that I had goin'
An' she got away 'fore I could make it alright
An' I got away with leavin' what needs said unspoken
Hell, I even blew the chance I had to say goodbye
Yeah, she took her heart an' took off down the road
An' they say you can't take it with you when you go

Good news is: ain't much here left for packin'
Bad news is: she left behind a million memories
All the echoes of her cryin', lovin' an' laughin'
Left me with nothin' left to do but leave
That ol' house is in the rear view: ridin' shotgun is her ghost
Who says you can't take it with you when you go

(Repeat Chorus)

(Instrument Break)

Closin' in on Dallas, now, is the best love I've ever known
An' they say you can't take it with you when you go
