

Eric Clapton, Bad Influence

(Robert Cray and Mike Vannice)

You use me to get you anything you wanted.
Oh, but I'm a changed man now, baby,
And your other friend can get you what you want now.
If I go through those same things again,
I'll be worse off than I started.

[Chorus:]

Girl, you're such a bad influence
And you've got ways to make me do what you want.
Girl, you're such a bad influence;
I've got to stay away.

I've been hurt in all of the worst kind of ways,
And it's you pretty baby,
I've just got to stay away from.
I won't go through those same things again;
I'm so glad that we parted.

[Chorus]

Somebody please, you've got to help me break away.
You know I don't like this lonely feeling.
It wasn't meant to be this way.
I won't go through those same things again;
I'm so glad we parted.

[Chorus]

You're such a bad influence;
And I have got to stay away.
You're such a bad influence;
I've got to stay away from you, baby.
I've got to stay away.
