

# Eric Clapton, Driftin' Blues

I'm drifting and drifting  
Just like a ship out on the sea  
I'm drifting and drifting  
Just like a ship out on the sea  
Well I ain't got nobody  
In this world to care for me

If my baby  
Would only take me back again  
If my baby  
Would only take me back again  
I would feel much better, darling  
And at least I'd have a friend

I give you all my money  
Tell me what more can I do  
I give you all my money  
Tell me what more can I do  
You is a sweet little girl  
But I swear you won't be true

I'm drifting and drifting  
Just like a ship out on the sea  
I'm drifting and drifting  
Just like a ship out on the sea  
Because I ain't got nobody  
In this world to care for me
