

# Eric Clapton, First Time I Met The Blues

The first time I met the blues  
I was walkin' down through the woods (yeah)  
Yes, the first time I met you Mr Blues  
I was walkin' down through the woods  
As usual it would do me no good  
First time I met you Mr Blues

Well, the blues came after me  
Don't you know they rode me down through the trees  
Well, the blues came after me  
Don't you know they rode me down through the trees  
You should have seen me begging  
Blues, don't murder me (alright)

Morning Mr Blues  
Don't you do what you do to me  
Yes, yeah, good mornin' Mr Blues  
Don't you do what you do to me  
You know you'll be with me  
Every single mornin', every night and every noon  
(Yeah, well I'll tell ya all now)

Good morning Mr Blues  
Don't you do what you do to me

Good morning Mr Blues  
Don't you just do what you do to me  
You know that you'll be with me  
Every single mornin', every night and every noon
