

# Eric Clapton, So Tired

Get up in the morning already yawning and I'm so tired  
I Ain't had a wink of sleep seems like all week  
We're So tired  
The Baby's only feeding and one of them is teething  
They're So tired  
They get up before the dawn I don't know how we carry on  
We're so tired

Thank God their mama is a natural  
She knows exactly what to do  
And as for me I think I'd go insane  
I just wouldn't have a clue

You know we try to do our best  
Just don't get no rest  
We're so tired  
Would do it all again you can bet your life my friend  
But I'm So tired  
Bomp ba da da da da da  
We're So tired So Tired  
Bomp ba da da da da da  
So tired So tired

Just can't wait til the sun goes down and all the kids have gone to bed  
Trying to sleep you know but sleep won't come  
With all the stuff goin through my head

Well its play group on thursday Music class on Friday, I'm so tired  
And Now Mamas getting snappy  
Daddy won't change no messy  
And I'm so tired  
Bomp ba da da da da da  
So tired  
Bomp ba da da da da da  
So tired

Sometime I think I'll just go on to bed  
I must have better things to do  
When Its time to get my good night kiss  
My dreams have all come true  
Bomp ba da da da da da  
So Tired  
Bomp ba da da da da da  
So tired  
So tired... So tired  
So tired... So tired  
So tired... So tired  
So tired... So tired
