

# Eric Clapton, To Make Somebody Happy

(Eric Clapton)

Feel like someone's put the hurt on me,  
And it's making me feel sad.  
Feel like someone's trying to turn me away  
From the good times to the bad.

Feel like someone's trying to teach me  
What is wrong from what is right.  
And I can't belong to everyone;  
Let me stay with you tonight.

And I hope it makes somebody happy.  
Lord, I hope it makes somebody happy.

This river's hard enough for me to swim,  
But there's nowhere left to hide.  
I ain't no swimmer but I won't give in  
Till I reach the other side.

[Repeat First Chorus]

'Cause it's all to make somebody happy.  
It takes us all to make somebody happy.
