

# Eric Johnson, Emerald Eyes

When i go and i get lonely,i begin to think of you  
But i know a dream is only,im a fool  
Someone said that ud be long gone  
Not to waste my time on u  
I see u everyday and sunshine im a fool  
Am i the fool to you? oh yeah

Emerald eyes i see u somewhere  
Why your eyes so blue?  
Love can be like holding your breath  
Is that the way fools do?

Havent time to talk about it  
I admit ive been a fool  
Thought i shouldnt think about it  
I need you cant stop this feeling  
Am i the fool to you?

(3x)emerald eyes i see you somewhere  
Why your eyes so blue?  
Love can be like holding your breath  
Is that the way fools do?
