

Eric Martin, I Love The Way You Love Me

I like the feel of your name on my lips
I like the sound of your sweet gentle kiss
The way that your fingers run through my hair
And how your scent lingers even when you're not there

I like the way your eyes dance when you laugh
And how you enjoy a two hour bath
The way you convince me to dance in the rain
With everyone watching like we were insane

And I love the way you love me
Strong and wild, slow and easy
Heart and soul, so completely
I love the way you love me

I like way that you sing sweet and low
When they're playing our song on the radio
And I like the innocent way that you cry

At old time movies you've seen hundreds of times

But I love the way you love me
Strong and wild, slow and easy
Heart and soul, so completely
I love the way you love me

I could list a million things
That I love to like about you
But they all come down to one reason
I could never live, live without you

Baby, I love the way you love me
Strong and wild, slow and easy
Heart and soul, so completely
I love the way you love me
Oh, baby, I love... the way you love me
