

Eric Sardinas, Tenfold Trouble

Ooh

I got a broken heart
All the time
My peace of mind baby
Stops on a dime
Fall from the sky
When I try to fly
Gotta satisfy my...

Look out!

Blood on my hands
That won't come clean
Keeps my engine
Runnin' on gasoline
Red devil dye
Baby, in my eyes
That's why I'm cryin'

Oh!

Tenfold trouble
Uhh, tenfold trouble
Too much now baby
Tenfold trouble
That's what I'm talkin' 'bout
Tenfold trouble
Oh, you gotta help me

It's breakin' my mind

Fall from the sky
When I try to fly
Gotta satisfy my

Oh

Tenfold trouble
Oh, tenfold trouble
Too much now baby
Tenfold trouble
Oh Lord
Tenfold trouble
Come on baby
Tenfold trouble
Ooh-oo
Tenfold trouble
Oh Lord
Tenfold trouble
Tenfold trouble

Oh!

Uhh
