

# Erick Right, I Wasn't The One

[Intro:]

Never gave my love for you away,  
Now you're lonely,  
Don't be calling me

[Verse 1:]

There's no way you can tell me  
That I wasn't there,  
I put the best of me,  
For something that turned out to be a dream  
Thought there was hope for us  
A future without a past,  
But you couldn't let go of him,  
Claiming to me that he's just a friend

[Chorus:]

I wasn't the one to walk out on us  
I wasn't the one to let go of trust  
I wasn't the one to lose all the love  
Wasn't the one girl, wasn't the one  
I wasn't the one to walk out on us  
I wasn't the one to let go of trust  
I wasn't the one to lose all the love  
Wasn't the one girl, wasn't the one  
Wasn't the one

[Verse 2:]

You claim to me the love we had  
Was so special,  
But I guess I was wrong,  
Or I wouldn't be feeling like this  
At times I messed up  
But not as bad as you did, no!  
Can't believe the hurt that you caused,  
Don't come around cause girl I moved onnnnnn

[Chorus:]

I wasn't the one to walk out on us  
I wasn't the one to let go of trust  
I wasn't the one to lose all the love  
Wasn't the one girl, wasn't the one  
I wasn't the one to walk out on us (on us)  
I wasn't the one to let go of trust  
I wasn't the one to lose all the love (all the love)  
Wasn't the one girl, wasn't the one

[Bridge:]

I was the one who was there for us both,  
When you're lack of love and all of this it seemed to show,  
Made the mistake of staying in this till the end,  
Hope to never find a love like this again  
I wasn't the oneeeeeee

[Chorus:]

I wasn't the one to walk out on us  
I wasn't the one to let go of trust  
I wasn't the one to lose all the love  
Wasn't the one girl, wasn't the one (I wasn't the one)  
I wasn't the one to walk out on us (I wasn't the one)  
I wasn't the one to let go of trust (I wasn't the one)  
I wasn't the one to lose all the love  
Wasn't the one girl, wasn't the one  
Wasn't the one
