## Erik Santos, This Is The Moment

This is the Moment Erik Santos

This is the moment
This is the day
When I send all my doubts and demons on their way
Every endeavor I have made ever
Is coming into play, is here and now today.

This is the moment, this is the time When the momentum and the moment are in rhyme Give me this moment, this precious chance; I'll gather up my past and make some sense at last.

This is the moment, when all I've done When all the dreaming, scheming and screaming become one. This is the day, see it sparkle and shine when all I've live for becomes mine

For all these years, I've face the world alone, and now the time has come to prove to them I've made it on my own

This is the moment, My final test, Destiny beckoned, I never reckoned second best I won't look down, I must not fall; This is the moment, the sweetest moment of them all

This is the moment damn all the odds This day or never, I'll sit forever with the Gods, When I look back, I will always recall, Moment for moment... This was the moment... The greatest moment... Of them all'
