

Erika, All My Time

Sometimes i get so mad atchu
call me up hang up on you..
its not how it should be, its how it is be

when did you get back
whos that girl that called you back
no sometimes it aint all that
i just wana know how does it really go

im still witchu through all that
still kool and i got ur back

....

Think about all that we've been through
all the things we used to do
everything we used to share
anytime, anywhere

(chorus)
All of my time
all of my life
i give up my ride, all for my guy
all of my love, give it to you
nobody else all this for you..

repeat (chorus)
