

Erin O'Donnell, Hold On To Jesus

You're a little piece of heaven
You're a golden ray of light.
and I wish I could protect you
from the worries of this life.
but if there's one thing i could tell you
it's no matter what you do
hold to Jesus, Hes holding onto you

The world will try to tell you
that might is more than right
and beauty's on the outside
and being good's a losing fight
but remember what i've told you
'cause the world will make you choose
hold to Jesus, Hes holding onto you

Hold on to Jesus, and cling to his love
rest deep in his mercy, whenever things get rough
and don't recite of his goodness
and don't ever doubt this truth, that when you hold onto
Jesus He's holdin onto you. (Yeaaaa)

Hear me dear Jesus,
rock this little one to sleep
keep her close when she's scared, and
give her grace when she is weak.
I know she'll stumble, but i know she'll make it through
if you hold onto just like you said you do
hold her jesus so she'll hold on tight to you
