

Erin Prestileo & Casely, All I Want

Casely:

When I First Saw Your Face
I Knew You Were Special Boy
You Took My Breath Away
I Knew It Was Too Soon
But Inside Of Me Had To Tell You

Chorus:

Baby Look At Me
Cant You See
Im Dying
I Need You
Just Run With Me
Its Been So Long
So Long
Dont Know What To Say
Dont Know What To Do
Cant You See Im So Confused
All I Want Is Love
And You Wont Give It Up
All I Want Is Loving Your Love Boy
Dont Know What To Say
Dont Know What Do
Cant You See Im So Confused
All I Want Is Love
And You Wont Give Up
All I Want Is Love Your Love Boy

Erin:

Baby Look In My Eyes
So You Can See
That Theres A Part Of Me
Just Want It So Deeply
And I Know Its Hard
Everything Girl I Did Was Disregard
But I Got Love For You
Just Give Me Some Time To Prove

[Chorus:]

Baby Look At Me
Cant You See
Im Dying
I Need You
Just Run With Me
Its Been So Long

Together:
