

# Erin Roberts/Porlolo, Scratch My Back

its was half past 10  
where wounding  
where all the lights had gone  
and where and where you been

and the call that came was a dime well spent  
was a couple of burning treason ..... 2dn best.  
right foot forward now the left one im a good solider see how we march on.  
faces out of there places now  
your my favorite  
Will you bite my hand when i pull away  
will you scratch my back anyways.  
will you bite my hand when i pull away  
will you scratch my back anyways.

moving forward stop  
thinking im falling oh where not  
around the corner i see  
back it up now for me

right foot forward now the left one im a good solider see how we march on.  
faces out of there places now  
your my favorite  
Will you bite my hand when i pull away  
will you scratch my back anyways.  
will you bite my hand when i pull away  
will you scratch my back anyways.

dah dah dah dah dahdah ect..

Will you bite my hand when i pull away  
will you scratch my back anyways.  
will you bite my hand when i pull away  
will you scratch my back anyways.

sorry could not get them all plz add to this.
