

# Eris Is My Homegirl, Skyless

To the place where angels go  
Where angels go  
To the place where angels go  
Where angels go

I will take your hand  
Take your hand  
Trust in me  
Trust in me

I understand  
I'm fading away  
But this life is not for me  
Is not for me

The taste of your skin  
Makes me feel alive  
And I can't believe  
The taste of your skin  
Makes me feel alive  
And I can't believe?  
Is just a dream

To the place where angels go  
Where angels go  
Don't let my feet go slow  
Don't let my feet go slow  
Don't let my feet go slow  
Don't let my feet go slow  
To the place where angels go  
Where angels go

The taste of your skin  
Makes me feel alive  
And I can't believe  
The taste of your skin  
Makes me feel alive  
And I can't believe  
And I can't believe  
On your wings up to the sky  
Just take a chance  
And bring me to the paradise  
I will fly  
On your wings up to the sky  
Just take a chance  
And bring me to the paradise

What have you done?  
What have you done?  
What have you done?  
What have you done?  
What have you done?  
Open your eyes  
You slut
