

Ernest Tubb, As Long As There's A Sunday

Though I can't come to see you every day
It just happened things worked out this way
Oh but that don't mean you're not the apple of your daddy's eye
And as long as there's a Sunday I'll come by
As long as there's a Sunday your daddy's here
Though I think about and love you all the time
And even though dear some have said I have no right to you
But as long as there's a Sunday you'll be mine
And someday dear I hope you'll understand that I come by as often as I can
So you be good and mind your mom and tell her I said hi
And as long as there's a Sunday I'll come by
[steel]
And someday dear I hope...
Yes as long as there's a Sunday I'll come by
