

# Ernest Tubb, Don't Forbid Me

Now don't forbid me to hold you tight my darling don't forbid me to hold you tight  
Let me hold you in my loving arms cause it's cold and I can keep you warm  
Now don't forbid me to kiss your lips my darling don't forbid me to kiss your lips  
Let me kiss you please baby please cause it's cold and your lips might freeze  
Well there's a strong west wind a blowing there's a big blue moon above  
And pretty babe then I'll be knowing you need some hard warmin' love  
So don't forbid me to talk sweet talk baby don't forbid me to talk sweet talk  
Let me fill your little heart with fire cause it's cold and you might desire

And pretty babe then I'll be knowing you need some hard warmin' love  
So don't forbid me to hold you tight my darling don't forbid me to hold you tight  
Let me hold you in my lovin' arms cause it's cold oh so cold and I can keep you warm
