

Ernest Tubb, Educated Mama

You're an educated mama ain't that a heck of a note
Just cause I got no learnin' to sit around and float
You're an educated mama readin' night and day
If you knew how I could love you you throw them books away
I know you're educated your learnings really show
But how to make me happy is somethin' you don't know
You're an educated mama readin' night and day
If you knew how I could love you you throw them books away
[guitar]
Your look's so somethin' special your figure is delicious
But you're colder as a iceberg and romantic as a fish
You're an educated mama readin' night and day
If you knew how I could love you you throw them books away
I'm goin' to the graveyard and dig a place I found
For anyone as dead as you belongs deep in the ground
You're an educated mama readin' night and day
If you knew how I could love you you throw them books away
You throw them books away
