FORT WORTH JAIL

(Dick Reinhardt)

'46 Red River Songs, BMI

Way down in Fort Worth jailhouse feeling kinda low  
Nobody cares about me cause I ain't got no dough  
No 5 so black and shiny took me off to jail  
My good gal said so long baby cause I can't go your bail  
Dream all days that I'll be goin' down that lonely road so long  
Looking for my stockyard baby though I know she's done me wrong  
All you ramblin' men take a warning don't go near that big cowtown  
Never trust a stockyard baby cause she always lets you down
