

Ernest Tubb, Go On Home

You're watching your watch and I know what's on your mind
There's someone home waiting and you're away over time
What should be so right is as wrong as can be
Go on home you don't belong here with me
I love you yes I love you I love only you
But the one home who's waiting why he loves you too
He's worried and he's wondering just where can you be
Go on home you don't belong here with me
Go on home you don't belong here with me
Though I want you and I need you desperately
But to hide here in the darkness is as wrong as can be
Go on home you don't belong here with me
[steel]
Go on home you don't belong...
