

Ernest Tubb, I Wonder Where You Are Tonight

Tonight I'm sad my heart is weary wondering if I'm wrong or right
To dream about you though you'd left me I wonder where you are tonight
Your heart was cold you never loved me although you often said you'd care
But now you've gone to find another someone who'll know the love I've shared
The rain is cold and slowly falling upon my window pane tonight
And though your love was even colder I wonder where you are tonight
[guitar - steel]
Then came the dawn the day you left me I tried to smile with all my might
But you could see the pain within me still lingers in my heart tonight
The rain is cold...
