

Ernest Tubb, If My Heart Had Windows

If my heart had windows you'd see a heart full of love just for you
A tear may appear when I hold you near but that's for the sweet things you do
And if my heart had windows you'd see a heart full of love just for you
By your side I will stay till we're old and gray reminiscing young moments we knew
And if my heart had windows you'd see a heart full of love just for you
[steel]
A thief couldn't steal the love that I feel and heaven for me has come true
And if my heart had windows you'd see a heart full of love just for you
