

# Ernest Tubb, Just Between The Two Of Us

Just between the two of us we know our love is gone  
People think it's wonderful our love can be so true  
You never say an angry word no matter what I do  
And you have so much faith in me you trust me anywhere  
But the reason if they only knew is that we just don't care  
Just between the two of us let's give up this fantasy  
For we no longer care enough to even disagree  
Everybody envies us and the way we get along  
But just between the two of us we know our love is gone  
[ steel ]  
Wish we could go back again to days that used to be  
We fought a lot but even then I knew you cared for me  
Now we get along so well no teardrops ever fall  
But there's no love no anything there's nothing left at all  
Just between the two of us...
