## Ernest Tubb, Let's Say Goodbye Like We Said He

Let's say goodbye like we said hello in a friendly kind of way There's something wrong your love is gone I've no reason now to stay We live and love we meet and part and broken hearts must pay Let's say goodbye like we said hello in a friendly kind of way Your love sweetheart I won't forget you're always on my mind You're all the happiness I knew so thoughtful sweet and kind For old time sake I'm asking you to think of me some day Let's say goodbye like we said hello in a friendly kind of way [ steel ]

(I wish you happiness sweetheart in everything you do May good luck always come your way and every dream come true) I remember you and the love we knew the love of yesterday Let's say goodbye like we said hello in a friendly kind of way If I should meet some other dear and learn to love them too I hope and pray somehow sweetheart they'll make me think of you A tender smile an old love song a heart so light and gay Let's say goodbye like we said hello in a friendly kind of way
