

Ernest Tubb, Mind Your Own Business

If the wife and I are fussin' brother that's our right
Cause me and that sweet woman's got a licence to fight
Why don't you mind your own business mind your own business
Cause if you mind your own business then you won't be mindin' mine
Oh the woman on our party line's a nosey thing
She picks up her receiver when she knows it's my ring
Why don't you mind your own business mind your own business
Cause if you mind your own business then you won't be mindin' mine
[guitar]
I got a little gal that wears her hair up high the boys all whistle when she walks by
Why don't you mind your own business mind your own business
Well if you mind your own business then you sure won't be mindin' mine
If I wanna honky tonk around the two or three
Brother that's my headache don't you worry bout me
Just you mind your own business mind your own business
If you mind your own business then you won't be mindin' mine
[steel]
Mindin' other people's business seems to be hightone
I got all that I can do just mind my own
Why don't you mind your own business mind your own business
If you mind your own business you'll stay busy all the time
