

Ernest Tubb, Somewhere Between

Somewhere between me and you

I love you so much I can't let you go and sometimes I believe you love me

But somewhere between your heart and mine there's a door without any key

Somewhere between your heart and mine there's a window that I can't see through

There's a wall so high it reaches the sky somewhere between me and you

[piano]

Somewhere between your heart and mine there's a love I can't understand

It's there for a while then it fades like a smile and I'm left in the middle again

Somewhere between...
