

Ernest Tubb, There She Goes

There she goes she's walking away each step she takes brings heartaches my way
He won her heart and I lost her someway there she goes she's walking away
If I hadn't cheated and if I hadn't lied I'd be the one walking by her side
I love her still and I guess that it shows she's walking away there she goes
[steel - guitar]
If I hadn't cheated...
